

Credit Management

An introduction to CreditMan

CreditMan is designed to be an online 'one-stop shop' for business credit managers, providing a directory and resource portal for all business credit management needs.

The CreditMan website contains a wealth of information to assist you in fulfilling your role as Credit Manager, including publishing insolvency notices, which are uploaded daily to the website portal, showing companies who have received a winding up petition or winding up order and companies where either an administrator or liquidator has been appointed.

CreditMan can provide help and assistance to you in several areas, including:

- **Corporate Recovery and Insolvency**
 - Creditor Support
 - Early Warning Signs
 - Insolvency Processes
- **Credit Insurance**
- **Debt**
 - Debtor Tracing
 - Enforcement
 - International Debt Collection and Recovery
 - UK Debt Collection and Recovery
- **Finance**
 - Asset Finance
 - FinTech
 - Invoice Finance
 - Invoice Discounting
 - Invoice Factoring
 - MAF Finance Group

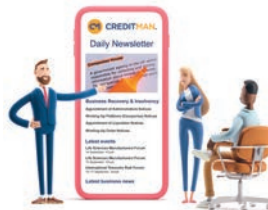

As a subscriber to CreditMan, you will also receive a free newsletter giving up-to-date news on the credit industry, changes in legislation, details of insolvency notices, events and seminars.
